This form is intended for institutions that need more than one scanner at their fair booth during the event. One scanner is provided with each booth registration.

Lead retrieval services are provided by Technology Resource Corporation (TRC), a company independent from the National Association for College Admission Counseling. Should there be any delay exceeding 30 days to deliver the scanned data, the affected exhibitor may be entitled to a refund of the Lead Retrieval service provided. The liability for damages of any cause whatsoever will be limited to the total price of $50 per occurrence for goods and services provided by TRC.
