NATIONAL EXPO, INC · 601 Pin Oak Lane · Athens, IL · 62613 · 217-636-8178

Limits of Liability for Material Handling

1. National Expo and its subcontractors shall not be responsible for damage to uncrated materials, materials improperly packed, glass breakage or concealed damage.
 2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by National Expo or its subcontractors and the arrival of the exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there may be a lapse of time between the completion of packing and the actual pick-up of the materials from the booth for the loading onto a carrier. It is understood that during such time the shipment(s) will be left in the booth unattended. Therefore, it is agreed that National Expo and its subcontractors are not responsible for exhibitor's materials before they are picked up from the exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to National Expo or its subcontractors by exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.
 3. National Expo and its subcontractors shall not be responsible for loss, delay or damage due to strike, lockouts, or work stoppage of any kind.
 4. National Expo and its subcontractor shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or causes beyond their control.
 5. It is understood that National Expo and its subcontractor are not insurers. Insurance, if any, shall be obtained by the exhibitor. Amounts payable by National Expo hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the exhibitor's property. It is further understood and agreed that National Expo and its subcontractors do not provide for full liability should loss or damage occur.
 6. It is agreed that if National Expo or its subcontractor should be found liable for loss or damage to exhibitor equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to exhibitors or from negligence, active or otherwise, by National Expo, its subcontractor or their employees.
 7. National Expo and its subcontractors shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profit or revenue or for any collateral costs that may result from any loss or damage to exhibitor's materials, which may make it impossible or impractical to exhibit same.
 8. Claims for loss or damage must be submitted to National Expo by the close of the show. No suit or action shall be brought against National Expo or its subcontractors more than one year after the cause of action.
 9. The exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its material, that National Expo and its subcontractors will provide these services as exhibitor's agent and not as bailee or shipper. If any employee of National Expo or its subcontractors shall sign a delivery receipt, bill of lading or other document, we agree that National Expo or its subcontractors will do so as the exhibitors agent, and the exhibitor accepts the responsibility thereof.
 10. National Expo and its subcontractors shall not be liable for shipments received without receipts, freight bills or specific unit counts on receipts or freight bills, such as FedEx or UPS Package. Such shipments will be delivered to booth without guarantee of piece count or condition.
 11. Empty container labels will be available at the National Expo service center. Affixing the labels is the sole responsibility of the exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and National Expo and its subcontractors assume no responsibility for loss or damage to contents while containers are in storage or for mislabeled containers
 12. In order to expedite removal of materials from the show site, National Expo shall have the authority to change designated carrier, if such carriers do not pick up in time. Where no disposition is made by the exhibitor, materials will be shipped collect to the permanent address of the exhibitor. National Expo assumes no liability as a result of such re-routing or handling.
 13. The exhibitor agrees, in the event of a dispute with National Expo or its subcontractor relative to any loss or damage to any materials or equipment, that the exhibitor will not withhold payment in any amount due to National Expo for material handling services or any other service provided by National Expo or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the exhibitor agrees to pay National Expo prior to the close of the show for all such charges and further agrees that any claim the exhibitor may have against National Expo or its subcontractor shall be pursued independently by the exhibitor as a completely separate transaction to be resolved on its own merits.
- **The consignment or delivery of a shipment to National Expo or its subcontractors by an exhibitor or by any shipper on behalf of the exhibitor shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in sections 1 through 13 above.**
 - **National Expo and its subcontractors are not insurers of you or your property and will not assume responsibility for loss, injury or damage where the direct cause of the loss, injury or damage is unknown or indeterminable.**
 - **Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all risk coverage. This can usually be done by riders to existing policies.**
