On behalf of all of the Hartford NACAC committee members, we would like to thank you for registering your school to attend the 2020 Hartford NACAC fair.

In an effort to ensure the safety of all attendees and the continuity of the arrival; and departure of schools, we are asking the following:

✓ Have your students register online for the fair ahead of time and have their barcode ready to be scan for entry into the fair.

✓ As always, it is very important that each of your students knows exactly where and when the buses will pick them up. Having to wait for stragglers could cause a jam up in the departure line of school buses.

✓ Make sure all of your students know where the chaperones will be meeting to depart, and at what time.

**Buses are required to:**

✓ Display the name of the school on their passenger and driver side windows.

✓ Chaperones must exchange cell numbers with bus drivers.

✓ Drivers may drop students off in the motor lobby or surface lot.

**Example:**

Central Florida High School  
Bus 2 of 4

Additionally, as a reminder, the concession stand will be open for students and staff to purchase food and drinks. We hope you and your students enjoy this added service.

Thank you for choosing to bring your students to the 2020 Hartford College Fair.
