3) It is understood that Hicks Convention Services and its subcontractors do not automatically insure materials, that insurance, if any, shall be arranged by the Exhibitor and the amounts payable to Hicks for drayage services are based on the value of the material handling services and the scope of Hicks liability as herein set forth. The amounts payable to Hicks are unrelated to the value of the Exhibitors property being handled by Hicks Convention Services or its subcontractor. It is impractical and extremely difficult to fix the value of each shipment handled by Hicks Convention Services or its subcontractors. It is agreed therefore that if Hicks Convention Services or its subcontractors should be found liable for loss or damage to Exhibitor's materials, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to 30 cents per pound per article, with a maximum liability of $500 per item, or $1,000 per shipment, whichever amount shall be less, as agreed upon damages and not as a penalty, and such agreed upon damages shall be the Exhibitor's exclusive remedy. Exhibits left on exhibit floor without return instructions will be returned to our warehouse and held for disposition at an additional charge. Hicks Convention Services will not be responsible for condition, count or content until such time as exhibits or materials are picked up for removal after the close of the exhibition.

4) Make certain all your material is properly insured against fire, theft and all hazards while in transit to and from your booth and for the duration of the exhibition.

5) Exhibitor routings on outbound shipments will be honored when possible. However, we reserve the right to reroute as necessary. All outbound shipments must be tendered with a Bill of Lading. In the event the designated carrier fails to pick up by the specified time, such shipments will be rerouted by Hicks Convention Services. Specified (freight force) time can be obtained at the Hicks Service Desk or by calling customer service.

6) All shipments requiring special handling for any reason, or due to length, width or height, will be handled on a time and material basis.

7) Hicks Convention Services, as the Drayage Contractor, shall have control over all freight docks, doors, elevators and crate storage areas. Any shipment not handled by Hicks Convention Services, but for which Hicks Convention Services is required to handle the storage of the empty shipping containers, a charge will be assessed.

8) To avoid confusion, remove all expired shipping labels before shipment.

9) Collect shipments will not be accepted unless written authorization is furnished by the shipper to accept the shipment. There will be a 25% surcharge ($15.00 minimum) based on the amount advanced by Hicks Convention Services.

HICKS CONVENTION SERVICES WILL ROUTE ALL SHIPMENTS UNLESS SPECIAL ADVANCE ARRANGEMENTS ARE MADE . . .

INSURANCE
