Frequently Asked Questions

Question: How can I change the email for the student data links?

Answer: To verify or change the email address to which the student data links are sent, you may contact CFA support. Please have the college name and fair city available.

Question: Who do I contact for billing inquiries?

Answer: You may contact NACAC directly for any receipt requests or billing inquiries. NACAC's phone number is 800-822-6285
